About Me

Artificial Intelligence & Machine Learning undergraduate with hands-on experience in developing AI-powered applications, responsive web solutions, and machine learning projects. Proficient in Python, JavaScript, HTML, CSS, and data analysis with a passion for solving real-world problems through innovative technology.

Education

Bachelor of Technology

Artificial Intelligence & Machine Learning
Institute of Technology and Management, Gida
2024 – 2028
CGPA: 8.5 / 10

Higher Secondary (Class XII)

Carmel Girls' Inter College, Civil Lines
State Board
Percentage: 85%

Secondary School (Class X)

Carmel Girls' Inter College, civil Lines
State Board
Percentage: 92%

Technical Skills

Programming

Python
Java
C++
JavaScript
HTML5
CSS3

Tools

Git
GitHub
VS Code
Google Colab
Jupyter Notebook

AI & Machine Learning

Machine Learning
Data Analysis
Scikit-learn
NumPy
Pandas
Generative AI
Prompt Engineering

Strengths

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Effective Communication
- Adaptability
- Continuous Learning

Projects

AI Resume Analyzer

Python • HTML • CSS • JavaScript

Developed an AI-powered resume evaluation platform that analyzes resumes and provides ATS-focused recommendations.

https://github.com/aliyahayatkhan1-lgtm/Resume_Analyzer

AI Interview Preparation Assistant

Python • HTML • CSS • JavaScript

Built an intelligent interview preparation platform featuring AI-generated technical interview questions.

https://github.com/aliyahayatkhan1-lgtm/Interview_Preparation

AI Medical Diagnosis System

Python • Machine Learning

Developed a predictive healthcare application using machine learning algorithms to assist symptom-based diagnosis.

https://github.com/aliyahayatkhan1-lgtm/Medical_Diagnosis_System

Intelligent Chatbot

Designed a conversational AI chatbot capable of delivering contextual and responsive user interactions.

<https://github.com/aliyahayatkhan1-lgtm/Chatbot>

Weather Forecast Application

Created a responsive weather application integrating real-time API data for accurate weather information.

<https://github.com/aliyahayatkhan1-lgtm/WeatherForecast>

Certifications

- AI Data Engineering Analyst — Skill India
- Generative AI — FutureSkills Prime
- Quantitative Research Job Simulation — Forage
- Programming in Python with AI — Internshala
- Python Programming (O Level) — NIELIT
- Web Designing & Publishing – National Intern
- Critical Thinking in the AI Era — Life Global
- Presentation Skills & Professional Development — TCS iON

Achievements

- Earned 9+ industry-recognized certifications in AI, Python, Data Engineering, and Web Development.
- Designed and deployed a personal portfolio website using GitHub Pages.
- Developed 10+ AI and web development projects using Python and JavaScript.
